FISCAL NOTE, 87TH LEGISLATURE 2nd CALLED SESSION 2021

IN RE: SB1 by Hughes (relating to election integrity and security, including by preventing fraud in the conduct of elections in this state; increasing criminal penalties; creating criminal offenses.),
Conference Committee Report

Estimated Two-year Net Impact to General Revenue Related Funds for SB1, Conference Committee Report : an impact of \$0 through the biennium ending August 31, 2023.

The bill would make no appropriation but could provide the legal basis for an appropriation of funds to implement the provisions of the bill.

Fiscal Analysis

This bill would amend the Election Code relating to voter registration, poll watchers, procedural requirements for state and county election officers, modifications of Election Day procedures, and voting by mail. It would increase criminal penalties for certain election offenses. It would require a voter registrar to provide notice of unlawful voting or registration to the Office of the Attorney General (OAG) and the Secretary of State (SOS).

According to the SOS, the agency would be required: 1) to develop a training course for voter registrars not in

compliance with certain requirements and, in certain instances, inform the OAG of failure to achieve substantial compliance following attendance at these courses; 2) to conduct periodic audits of elections in certain counties; 3) to develop and maintain a poll watcher training program; and 4) to make certain modifications to the Texas Election Administration Management (TEAM) mail ballot tracking system in order to allow voters to correct certain defects related to those ballots. It is anticipated that the cost of these provisions could be absorbed within existing resources of the agency. Additionally, the bill would require the SOS to reimburse certain changes to county voting counting systems that would be eligible for 100 percent reimbursement by the state.

According to the Office of Court Administration, the bill would impose criminal penalties upon conduct which is not currently illegal and would enhance penalties on preexisting crimes which could increase criminal caseloads before the courts. However, due to the deterrent effect of the new laws, it is not anticipated caseloads will increase significantly and no significant fiscal impact to the state court system is anticipated. This analysis assumes any increase in costs related to new civil penalties could be addressed with existing resources. It is assumed that any additional costs imposed on the Court of Criminal Appeals related to an authorization to issue a writ of mandamus in certain situations could be addressed with existing resources.

According to the OAG, the office anticipates an increase in cases as a result of the passage of this bill; however, the office assumes that any legal work resulting from the passage of this bill could be reasonably absorbed with current resources.

According to the Comptroller of Public Accounts, the extent to which creating a new offense or expanding an existing offense would impact state revenue cannot be estimated.

This analysis assumes implementing the provisions of the bill addressing felony sanctions for criminal offenses would not result in a significant impact on state correctional agencies.

Methodology

To address the provision of the bill related to reimbursement of local jurisdiction costs to convert scanners and central count computers to a configuration that utilizes write-once media, the SOS anticipates that all existing devices subject to the provisions of the bill would be required to be replaced. The cost of replacing hardware components, including new write-once media for every device in every election, is estimated by currently certified voting system vendors to be \$116,209,750. In addition, these vendors have estimated that the cost of replacing write-once removable media for all elections occurring in a biennium would result in a reimbursable cost of \$37,969,620. This cost would reoccur in each biennium thereafter. Because the write-only requirement would be required as of September 1, 2026, it is assumed that these costs would be incurred in fiscal year 2026.

Local Government Impact

According to the Texas Association of Counties, the bill would have a significant fiscal impact on counties.

According to the Fort Bend County Election Administrator, the estimated fiscal impact of the bill would be between \$200,000 and \$12.0 million. The county states that the most significant component of this cost would be the replacement of voting systems to comply with the requirements of the bill at an estimated \$9.0 to \$12.0 million.

According to the Bexar County Election Administrator, the bill would result in an estimated fiscal impact of \$350,000 to \$13.0 million. The most significant component of this estimate would be due to the required replacement of voting systems. The county states that the provisions of the bill related to video surveillance, live streaming, and records retention would have significant costs that would vary by the number of elections held over the course of a year. According to the county, there would also be additional costs for reprinting new forms and envelopes, outreach for new mail ballot requirements, and providing processing for rejected voter applications.

According to the Cameron County Election Administrator, the bill would have an estimated annual fiscal impact

of at least \$250,000 and an additional cost of over \$5.0 million for new equipment, the acquisition of surveillance equipment, and streaming and data storage

According to the Williamson County Election Administrator, the bill would have an estimated annual financial impact of between \$500,000 and \$5.0 million. The most significant component of this estimate would be due to the required replacement of voting systems. In addition, provisions of the bill related to video surveillance, live streaming, and records retention would have significant costs that would vary by the number of elections held over the course of a year. There would also be additional costs for reprinting new forms and envelopes, outreach for new mail ballot requirements, and providing processing for rejected voter applications.

A Class A misdemeanor is punishable by a fine of not more than \$4,000, confinement in jail for a term not to exceed one year, or both. Costs associated with enforcement, prosecution and confinement could likely be absorbed within existing resources. Revenue gain from fines imposed and collected is not anticipated to have a significant fiscal implication.

CRIMINAL JUSTICE IMPACT STATEMENT

87TH LEGISLATURE 2nd CALLED SESSION 2021

August 30, 2021

TO: Honorable Dan Patrick, Lieutenant Governor, Senate
Honorable Dade Phelan, Speaker of the House, House of Representatives

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: SB1 by Hughes (relating to election integrity and security, including by preventing fraud in the conduct of elections in this state; increasing criminal penalties; creating criminal offenses.),
Conference Committee Report

The provisions of the bill addressing felony sanctions are the subject of this analysis. The bill would amend various codes as they relate to election integrity and security. Under the provisions of the bill existing offenses would be modified and several newly created election fraud-related criminal offenses would be punishable at the felony and misdemeanor levels with the level and degree of punishment based on the specific circumstances of the offense.

Creating a new offense or modifying the penalty for an existing offense is expected to result in additional demands upon the correctional resources of counties or of the State due to an increase in the number of individuals placed under supervision in the community or sentenced to a term of confinement within state correctional institutions. From fiscal year 2018 through 2020 there were a total of 45 arrests for election-related offenses; there were fewer than ten individuals in each fiscal year who were placed onto community supervision; and there were fewer than ten individuals in each fiscal year who were admitted into a state correctional institution for election-related offenses. This analysis assumes implementing the provisions of the bill addressing felony sanctions would not result in a significant impact on state correctional populations or on the demand for state correctional resources.

17 (e) to read as follows:

18 (a) After the registrar receives notification ~~[a list]~~

27 United States citizenship in the form of a certified copy of the

S.B. No. 1

1 voter's birth certificate, United States passport, or certificate
2 of naturalization or any other form prescribed by the secretary of

4 mailing address on the voter's registration application and to any
5 new address of the voter known to the registrar.

6 (a-1) The secretary of state shall enter into an agreement
7 with the Department of Public Safety under which information in the
8 existing statewide computerized voter registration list is
9 compared against information in the database of the Department of
10 Public Safety on a monthly basis to verify the accuracy of
11 citizenship status information previously provided on voter
12 registration applications. In comparing information under this
13 subsection, the secretary of state shall consider only a voter's
14 information in the database of the Department of Public Safety that
15 was derived from documents presented by the voter to the department
16 after the person's current voter registration became effective, and
17 may not consider information derived from documents presented by
18 the voter to the department before the person's current voter
19 registration became effective.

20 (d) The secretary of state shall prescribe rules for the
21 administration of this section.

22 (e) Not later than December 31 of each year, the secretary
23 of state shall provide a report to the legislature of the number of
24 voter registrations canceled under this section during the calendar
25 year.

26 SECTION 2.06. Section 18.065, Election Code, is amended by
27 adding Subsections (e), (f), (g), (h), and (i) to read as follows:

S.B. No. 1

1 (e) If the secretary of state determines that a voter
2 registrar is not in substantial compliance with a requirement
3 imposed on the registrar by a provision or rule described in
4 Subsection (a), the secretary of state shall:

5 (1) for the first violation, require the registrar to
6 attend a training course under Subsection (h);

7 (2) for the second violation, audit the voter
8 registration list for the county in which the registrar serves to
9 determine the actions needed to achieve substantial compliance
10 under Subsection (a) and provide the results of the audit to the
11 registrar; or

12 (3) for a third or subsequent violation, if the
13 secretary of state determines that the registrar has not performed
14 any overt actions in pursuance of compliance with the actions
15 identified under Subdivision (2) as necessary for the registrar to
16 achieve substantial compliance under Subsection (a) within 14 days
17 of receiving the results of the audit conducted under that
18 subsection, inform the attorney general that the county which the
19 registrar serves may be subject to a civil penalty under Subsection
20 (f).

21 (f) A county is liable to this state for a civil penalty of
22 \$1,000 for each day after the 14th day following the receipt of the
23 results of the audit conducted under Subsection (e)(2) that the
24 county's voter registrar fails to take overt action to comply with
25 the actions identified under that subsection as necessary for the
26 registrar to achieve substantial compliance under Subsection (a).
27 The attorney general may bring an action to recover a civil penalty

S.B. No. 1

1 imposed under this section.

2 (g) A civil penalty collected by the attorney general under
3 this section shall be deposited in the state treasury to the credit
4 of the general revenue fund.

5 (h) The secretary of state shall develop and implement a
6 training course for registrars on substantial compliance with
7 Sections 15.083, 16.032, and 18.061 and with rules implementing the
8 statewide computerized voter registration list.

9 (i) The secretary of state shall adopt rules and prescribe
10 procedures for the implementation of this section.

11 SECTION 2.07. Section 18.068, Election Code, is amended by
12 amending Subsection (a) and adding Subsection (a-1) to read as
13 follows:

14 (a) The secretary of state shall quarterly compare the
15 information received under Section 16.001 of this code and Sections
16 [Section] 62.113 and 62.114, Government Code, to the statewide
17 computerized voter registration list. If the secretary determines
18 that a voter on the registration list is deceased or has been
19 excused or disqualified from jury service because the voter is not a
20 citizen or a resident of the county in which the voter is registered
21 to vote, the secretary shall send notice of the determination
22 to the voter registrar of the counties considered appropriate by
23 the secretary.

24 (a-1) The secretary of state is not required to send notice
25 under Subsection (a) for a voter who is subject to an exemption from
26 jury service under Section 62.106, Government Code, if that
27 exemption is the only reason the voter is excused from jury service.

S.B. No. 1

SECTION 2.08. Section 31.006, Election Code, is amended to read as follows:

Sec. 31.006. REFERRAL [~~OF COMPLAINT~~] TO ATTORNEY GENERAL.

(a) If, after receiving or discovering information indicating that ~~[a complaint alleging]~~ criminal conduct in connection with an election has occurred, the secretary of state determines that there is reasonable cause to suspect that ~~[the alleged]~~ criminal conduct occurred, the secretary shall promptly refer the information ~~[complaint]~~ to the attorney general. The secretary shall deliver to the attorney general all pertinent documents and information in the secretary's possession.

(b) The documents and information submitted under Subsection (a) are not considered public information until:

(1) the secretary of state makes a determination that the information ~~[complaint]~~ received does not warrant an investigation; or

(2) if referred to the attorney general, the attorney general has completed the investigation or has made a determination that the information ~~[complaint]~~ referred does not warrant an investigation.

SECTION 2.09. Subchapter B, Chapter 87, Election Code, is amended by adding Section 87.028 to read as follows:

Sec. 87.028. ACCESS TO INFORMATION. (a) On request, a county election official shall provide to a member of an early voting ballot board all available information necessary to fulfilling the functions of the board, including any information from the statewide computerized voter registration list under

S.B. No. 1

1 Section 18.061.

2 (b) On request, a county election official shall provide to
 3 a member of a signature verification committee all available
 4 information necessary to fulfilling the functions of the committee,
 5 including any information from the statewide computerized voter
 6 registration list under Section 18.061.

7 (c) The secretary of state shall adopt rules as necessary to
 8 prevent a member of an early voting ballot board or signature
 9 verification committee from retaining or sharing personally
 10 identifiable information from the statewide computerized voter
 11 registration list under Section 18.061 obtained under this section
 12 for any reason unrelated to the official's official duties.

13 SECTION 2.10. Section 62.113(b), Government Code, is
 14 amended to read as follows:

15 (b) On the third business day of each month, the clerk shall
 16 send a copy of the list of persons excused or disqualified because
 17 of citizenship in the previous month to:

- 18 (1) the voter registrar of the county;
